Eid Mubarak

14-.05.21

खरा तो एकची धर्म
सण म्हणजे आनंद , आशा आणि नवउन्मेष

आज मुरादपुर येथील एक गरीब महिला आपल्या घरी ईद साजरी करत आहेत , खर तर यात असे काय विशेष , तर गेले काही दिवस या ताई मातृमंदिर कोविड हॉस्पिटल येथे उपचार घेत होत्या , डिस्चार्ज ची वेळ आली आणि अगदी शासकीय नियमात असलेले बिल सुद्धा भरणे कठीण जात होते , माझा दहावीचा मित्र महंमद शेख याने आम्हा मित्राना फोन करून सांगितले आणि काही रक्कम स्वतः गावातील शेजारी यांचे मार्फत जमवली तरीही काही अपुरी पडत होती.

देवरुख स्थित आमचे मित्र नितीन हेगशेट्टे (पत्रकार) हे स्वतः जाऊन मातृमंदिर व्यवस्थापन सोबत विनंती करून आले , वस्तुस्थिती लक्षात घेऊन मा अभिजित हेगशेट्टे सर ,मा आत्माराम मेस्त्री सर आणि मातृमंदिर व्यवस्थापन यांनी यात वैयक्तिक लक्ष देत ,बिलाची रक्कम बाबत तोडगा काढत शक्य तेव्हाडी रक्कम कमी केली .

मावशींनी ज्या हेतूने मातृमंदिर सुरू केले त्याच पावलावर पाऊल टाकत आज व्यवस्थापन हे कोविड हॉस्पिटल चालवत आहे याबद्दल सर्व टीमला सलाम !

मा हेगशेट्टे सर , मेस्त्री सर आणि पाठपुरावा करणारे नितीन हेगशेट्टे यांचे आभार
--संतोष पुरोहित

JAMNALAL BAJAJ AWARD WINNER 1989

MATRUMANDIR DEVRUKH

Reg. No: 68, Establish: 1954

APPEAL FOR FINANCIAL AID TO MATRUMANDIR COVID CENTRE DEVRUKH

The Pandemic is sweeping through India and times are tough and rough in a way here seem before. After affecting India's big cities. The second wave of the Covid-19 Pandemic has spread faster in rural areas of Ratnagiri District. People are under the dark shadow of death threat in villages.

The most infected Taluka in Ratnagiri district is Sangmeshwar where more than 35 out of 100 villages are declared as containment zone. Death rate has increased due to active shortage of beds. In such devastating situation Matrumandir Sanstha of Devrukh has converted its hospital into covid care centre with availability of 30 beds for patients. Initially Matrumandir was founded by Indirabai Alias Halbe Maushi in 1954, with 2 beds, with almost unfavorable and adverse circumstances in those days, in sahyadri Valley. Later she was honored by Prestigious Jamnalal Bajaj International award in 1989 for her selfless work & constructive service in 'Women & Child Development.' Matrumandir Sanstha is carrying forward the legacy of service to the poorest of the poor with the same zeal of Halbe Maushi.

At present 30 beds with oxygen facilities are available in Matrumandir, under the dedicated and skillful guidance of Dr. Parmeshwar Gond, we offer comprehensive care for infected patients. Recent we activated a Intensive care unit with 10 beds capacity be made available for patients. As the patients belong here are from rural & poverty stricken areas. Sanstha has sympathetically started free Breakfast, food facility to positive patients & their relatives. Five beds are reserved for Economic Weaker Section class with complete free medication & health care facility. In order to generate this noble service to mankind, Sanstha is in need of financial assistance and medications. Sanstha's 80G registration will be 50% Income tax exemption for Donor. Matrumandir Sanstha's Hospital is Prime Life Line support to the patients residing at 50 villages of Sangmeshwar. So generously extend your helping hand and offer financial aid to our Sanstha.

Your co-operation to raise funds in cash or kind of Medical Machinery/Material is cordially welcomed. The well-wishers residing abroad can donate by depositing the amount in their relatives' accounts in India and then transfer it in the Matrumandir's account online.
